PUBLIC NOTICE
CITY OF FORT WAYNE, INDIANA
Taxpayers, prospective bidders and other interested persons are hereby notified that the Common Council of the City of Fort Wayne has determined to issue and sell at the office of the City Controller, in the City Building, One West Main Street, Fort Wayne, Indiana, until 1 P.M. (Eastern Standard Time), on the 20th day of November, 1979, general obligation bonds of said City designated as "Airport Improvement Bonds of 1979". In the aggregate amount of \$2,600,000 bearing interest at the rate or rates not to exceed 7 1/2% per annum (the exact rate or rates to be determined by bidding), which interest shall be payable on January 1, 1980, and semi-annually thereafter. Said bonds will be dated November 1, 1979 in

the denomination of \$5,000 each, and will mature serially on January 1 in the years and amounts as follows:

Years	Amounts
1982	\$500,000
1983-1991 inclusive	\$100,000
1992-1999 inclusive	\$150,000

Principal of and interest on the bonds will be payable at the Indiana Bank and Trust Company of Fort Wayne in the City of Fort Wayne, Indiana in lawful money of the United States of America. The bonds will be in bearer form with coupons attached, are not registrable as to principal or interest, and are not redeemable prior to maturity.

Each bid must be for all of said bonds and must state the rate or rates of interest not exceeding 7 1/2% per annum in multiples of 1/8 or 1/10 of 1%. Not more than four different interest rates shall be named in any bid and bids specifying two or more interest rates shall also specify the amount and maturities of the bonds bearing each rate but all bonds maturing on the same date shall bear the same single coupon rate. A rate may be repeated without constituting a different interest rate. A zero interest rate will not be permitted, the difference between the highest rate and lowest rate specified in a bid shall not exceed a rate of 1 1/2%

and the interest due on any bond on any interest payment date shall be represented by a single interest coupon. The award will be made to the highest qualified bidder complying with the terms of sale and offering the lowest net interest cost to the City of Fort Wayne to be determined by computing the total interest on all of the bonds to their maturities and deducting therefrom the premium bid, if any. Although not a term of sale, it is requested that each bid show the net dollar interest cost to final maturity and the net effective average interest rate on the entire issue. Any premium bid must be paid in cash as a part of the cash purchase price at the closing. No bid for less than the par value of said bonds including accrued interest to the date of delivery at the rate or rates named in the bid will be considered. The right is reserved to reject any and all bids. In the event no satisfactory bids are received at the time and on the date herein fixed, the sale will be conducted from day to day thereafter for a period not exceeding 30 days.

All bids must be submitted in sealed envelopes marked "Bid for Airport Improvement Bonds of 1979", and each bid must be accompanied by a certified or cashier's

check in the amount of \$25,000, payable to the City of Fort Wayne. In the event the bidder to whom said bonds are awarded shall fail or refuse to accept delivery of the same as herein provided, said check and the proceeds thereof shall become the property of the City and shall be considered as its liquidated damages growing out of such default. The checks of unsuccessful bidders will be returned immediately following the award of the bonds. The bonds will be ready for delivery within 45 days after the date on which the award is made and, if not deliverable within that period, the successful bidder may rescind the sale and his good faith check will be returned. The successful bidder will be required to make payment for said bonds in federal reserve or other immediately available funds and accept delivery of said bonds at such bank in the City of Fort Wayne, Indiana or the City of Indianapolis, Indiana or Chicago, Illinois as he shall designate to the Controller within five days after being notified that the bonds are ready for delivery.

The unqualified approving opinion of Ice, Miller, Donado & Ryan, bond counsel of Indianapolis, Indiana, together with the printed bonds with

the legal opinion printed thereon, a transcript of the legal proceedings, and closing certificates showing no litigation, will be furnished to the purchaser at the expense of the City of Fort Wayne. Said bonds will be the direct general obligations of the City of Fort Wayne payable out of unlimited ad valorem taxes to be levied on all of the taxable property in said City.

Under existing state laws, regulations, and rulings, these bonds and the income therefrom are exempt from taxation in the State of Indiana except the state inheritance tax. In the opinion of bond counsel under the existing federal statutes, decisions, regulations, and rulings, the

interest on said bonds is exempt from federal income tax as of the date of this notice. If on the date of delivery bond counsel are unable to render the foregoing opinion as to tax exemption, the successful bidder shall be entitled to rescind the sale and his good faith deposit will be returned.

It is anticipated that Cusip identification numbers will be printed on said bonds but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of or pay for said bonds. All expenses in relation to the printing of Cusip numbers on said

bonds shall be paid for by the issuer; provided, however, that the issuer assumes no responsibility for any Cusip Service Bureau or other charge that may be imposed for the assignment of such numbers.

Further information may be obtained upon application to the undersigned Controller, City Hall, One West Main Street, Fort Wayne, Indiana, telephone (area 219) 423-7569 or Bernard T. Perry, Orlando, Florida.
